

Blind Date with a Book – Adults 18+

Welcome!

Take a chance on a mystery book – no judging by the cover!

How it works:

- One blind date per patron (while supplies last). Books are wrapped to keep their identity hidden.
- Check out at the circulation desk like a regular library book.
- No peeking – surprises are part of the fun!

THEMES:

It's Complicated 💔

Relationships are messy. Feelings are unsolved.

Perfect for readers who like emotional depth, moral gray areas, and characters who make questionable choices.

A Little Bit Spicy 🌶️

Romance with heat – but still story-driven.

Smart chemistry, slow burns, and scenes that fade to warm, not explicit.

Dark & Twisty 🖤

Secrets. Lies. Psychological turns.

For readers who enjoy suspense, unreliable narrators, and endings that linger.

Travel Without Leaving Town ✈️

Transportive reads set somewhere else.

Ideal for armchair travelers craving vivid settings, culture, and atmosphere.

Comfort Reads (But Not Boring) ☕

Familiar in the best way – but still fresh.

Engaging stories that feel cozy, satisfying, and easy to fall into.
